Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The purpose of this interview was to follow up the interview on August 9, 2007. After applicant was able to review the restriction requirement suggested on August 9. Particularly, claim 871 should be associated with Group 1. Claim 949 should be associated with Group 2, however, the examiner would consider a traversal by applicant. Claims 953 and 958 should be associated with Group 3 because censoring and using permissions would be searched together. Applicant is prepared to elect Group 3 .
